

# MESON 2018

## 15<sup>th</sup> International Workshop on Meson Physics Kraków, Poland, 7<sup>th</sup>-12<sup>th</sup> June 2018

Dear Colleague,

we would like to inform you that, consenting numerous requests, we have decided to **extend** the time for submitting abstracts of contributions to the MESON2018 Conference by **one week**. The new (and final) deadline is **2<sup>nd</sup> April, 2018**.

---

If you are still hesitating whether to come, you may want to inspect the list of invited speakers now available on the Conference web page. We hope that the quality of the scientific programme and the opportunity to visit the beautiful town of Kraków will convince you to take part in the Conference.

---

Let us remind you that pre-booking which we have arranged in some of the hotels for the MESON2018 participants expires in a few days. Shortly before the Conference you may expect difficulties finding a reasonably priced accommodation in Kraków due to the summer increase of number of tourists. For constantly updated information on the Conference we encourage you to visit the MESON2018 web page: [meson.if.uj.edu.pl](http://meson.if.uj.edu.pl)

We are looking forward to seeing you in Kraków,

*Organizing Committee*
